

Adult Social Care Support Workers

Employ My Ability are looking to recruit support workers to join our existing team. EMA support young people within supported living, day opportunities and respite services to gain skills for independent living. To support and develop daily living tasks, vocational and employment skills and employment opportunities.

Employ My Ability Social Care Services have several exciting opportunities within our team. We are looking for Support Workers to support our young people in supported living settings, day opportunities/services and short breaks and respite.

We are based at Moreton, Near Dorchester within the beautiful setting of the Dorset countryside close to the Jurassic coastline.

We are a growing, dynamic organisation that offers a bespoke and continuous learning approach regarding the care, support and delivery of services to the young adults we support with a learning disability, autism and/or associated conditions.

Ideal Candidate

We are looking for self-motivated, committed individuals with a real sense of caring and a can-do attitude, to work with our young people to improve their independent living skills through meaningful outcomes. The people we support continually learn and grow through work opportunities and experience, practical maths, English and other subjects.

Requirements

If this is an area of Social Care you would like to explore and build a career in, we would very much like to hear from you. Previous experience is desirable but not essential as full training is given. We are committed to supporting our staff with career and personal development.

Employ My Ability is committed to safeguarding and promoting the welfare of young people and expects all staff and volunteers to share this commitment. Applicants will be required to undergo child protection / adult safe guarding screening appropriate to the post, including checks with past employers, and an enhanced DBS check.
